# BRIAN MATHORNE

**CURRENT JOB:** HEAD OF INNOVATION

## PROFILE

I am a proactive and ambitious leader with a track record of good results within SaaS. I practice the "Keep it simple" philosophy every day, both for my colleagues and myself. No there is no need to make thing complicated! I love to code and are a top-class full stack developer with over 15 years of experience.

**Professional interests:**

* Making simple software, that can be used by everyone.
* Problem Solving
* Server Management
* People Management
* Project Management

**Technologies:**

* Microsoft c# .net
* HTML5
* React
* JavaScript (jQuery, NodeJS....)
* MS SQL / MYSQL
* Apache Solr
* MongoDB
* REST and GraphQL

**Private info:**
I´m 41 years old and live with my wife and 3 children (age 6, 10 and 13) in a small city close to Aarhus.
